Shoe Covers

AZURE

The **AZURE** disposable shoe covers give you a foot barrier with excellent anti-skid properties. They offer a high level of protection for environments such as pharmaceutical manufacturing, GMP sites and animal labs.

They are made with a multilayered fabric coated with BlueMed’s advanced anti-skid formula for a superior grip. They are waterproof with a hydrophilic inner layer.

AZURE Shoe Covers

Dispenser Box

Benefits: The **AZURE** shoe covers give you good control on smooth, wet or powdered floors. They also give you added protection from wet shoes, thanks to their inner layer that absorbs liquids. They are low linting and fit for clean environments.

Versatility: These shoe covers are available in two sizes: The *Universal* size is made to fit most shoe sizes and the *Extra Large* size is made for big shoes, snow or work boots. They stand out with their rich blue color.

Packaging: The **AZURE** shoe covers are available in bags or dispensing boxes to accommodate different user needs. Double-bag option is also available.
