

Wave

The **WAVE** disposable shoe covers are designed for general hygiene and protection against cross-contamination. They are made of anti-static polypropylene nonwoven fabric, and are 100% latex-free. They are available with or without an anti-skid print on the sole.

WAVE
with Anti-Skid Print

Easy-Open
Bag

Benefits: Higher quality fabric, strong welds and its anti-skid print distinguish **WAVE** as the leading shoe covers in their class. They are popular in medical, dental, pharmaceutical and GMP facilities.

Versatility: **WAVE** is constructed with triple-elastic runs allowing a smooth wrap around the foot that prevents tripping. For added convenience, they come in 3 sizes: Universal, Extra Large, and 2XL.

Packaging: The **WAVE** shoe covers are available in bags or dispensing boxes to accommodate different users needs.
